

## Who we are

- ICL seeks to be an inclusive, open-hearted church to all who use English as a key language of communication. As we fellowship together and seek to walk God's way, the language of love binds us together in our diversity. We come from six continents, more than thirty countries and many denominational backgrounds.
- Our programme is developed to foster a sense of family across all age groups. We trust God will bless you throughout the summer as you visit us or, if living longer-term here, become part of us here.
