

## Who we are

- ICL is a church in transition, seeking to develop in heart and purpose for the Kingdom of God and in service together. We are united by our desire to love and serve God through Jesus Christ and to worship Him in English. We come from six continents, more than thirty countries, and who knows how many denominational backgrounds. We work hard to maintain the unity of the Spirit in the bond of peace.
- Our programme is developed to foster a sense of family across all age groups. There's a sense of so much being shut down in society- we want you to know we're open ...and open hearted to you and to God.
